

SAMPLE EQUIPMENT ASSEMBLY AGREEMENT

for assembling the SLS 3D printer kit SLS4All Inova MK1
(the Customer as the end user, without commercial market introduction)

Contracting Parties:

Customer (End User):

Name: [Customer's Name]

Address: [Customer's Address]

Contact Person: [Name, phone, email]

and

Contractor:

Company: anyteq development s.r.o.

Address: Lesní 405, 251 62 Mukarov, Czech Republic

Company ID: 17235839

VAT ID: CZ 17235839

Contact Person: Tomáš Starek, info@sls4all.com

1. Subject of the Agreement

- a) The Contractor undertakes to assemble the SLS 3D printer kit Inova MK1, purchased by the Customer from the online store at <https://sls4all.com>, based on the complete set of parts and the assembly manual provided by the Customer.
 - b) The assembly shall be carried out strictly in accordance with the documentation, manuals, and instructions provided to the Contractor by the Customer.
-

2. Definition of Liability and Status of Parties

- c) The Customer confirms that the device is intended solely for his/her personal use and will not be placed on the market, sold, or commercially operated.
 - d) Given the above, the Customer is not considered a manufacturer in the context of legal regulations concerning CE marking and other EU requirements.
 - e) The Contractor solely performs the physical assembly service of the kit according to the Customer's instructions and assumes no responsibility for design solutions, safety, regulatory compliance, or commissioning of the device.
-

3. Obligations of the Contractor

- f) Assemble the device according to the exact instructions provided by the Customer.
- g) Report to the Customer any uncertainties or detected component defects.

- h) Not add or change any components, nor carry out independent testing or modifications.
 - i) Upon completion, hand over the assembled device to the Customer.
-

4. Obligations of the Customer

- j) Provide the complete Inova MK1 kit, including all parts and documentation.
 - k) Acknowledge that, as the end user, he/she bears responsibility for safe operation of the device for personal use.
 - l) Not provide the device to third parties for sale or commercial use without fulfilling the applicable legal requirements.
-

5. Price and Payment Terms

- m) The agreed price for assembly is [amount] CZK excluding VAT.
 - n) Payment shall be made on the basis of an invoice issued after completion of the assembly.
-

6. Final Provisions

- o) This agreement does not imply that the Contractor assumes the manufacturer's liability.
 - p) The Customer acknowledges that under current EU legislation, the device is not considered to be placed on the market, and CE marking and related documentation are not required.
 - q) Any modifications or use of the device other than for personal purposes must be subject to a separate agreement and compliance with relevant regulations.
 - r) The agreement enters into force on the date of signature by both parties.
 - s) The contractual relationship shall be governed by the laws of the Czech Republic.
